The cash component of the directors' fees for year 2019 is intended to be paid half-yearly in arrears. The share component of the directors' fees for year 2019 is intended to be paid after the 2020 AGM has been held. The actual number of shares to be awarded to each non-executive director holding office at the time of the payment is intended to be determined by reference to the volume-weighted average price of a share on the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") over the 14 trading days from (and including) the day on which the shares are first quoted ex-dividend after the 2020 AGM (or, if no final dividend is proposed at the 2020 AGM, or the resolution to approve any such final dividend is not approved at the 2020 AGM, over the 14 trading days immediately following the date of the 2020 AGM). The number of shares to be awarded will be rounded down to the nearest hundred and any residual balance will be settled in cash. A non-executive director who steps down before the payment of the share component will receive all of his directors' fees for year 2019 (calculated on a pro-rated basis, where applicable) in cash.

Resolution 9 – Resolution 9 is to empower the directors to issue shares of the Company and to make or grant Instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such Instruments, up to a number not exceeding 50% of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings), of which up to 5% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of shares which may be issued shall be based on the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at 5 March 2019 (the "**Latest Practicable Date**"), the Company had 1,155,848 treasury shares and no subsidiary holdings.

Resolution 10 – Resolution 10 is to empower the directors to offer and grant awards pursuant to the Sembcorp Marine Performance Share Plan 2010 and the Sembcorp Marine Restricted Share Plan 2010 (collectively, the "**Share Plans**") and to issue ordinary shares of the Company pursuant to the vesting of awards granted pursuant to the Share Plans provided that: (a) the aggregate number of (i) new ordinary shares allotted and issued and/or to be allotted and issued, (ii) existing ordinary shares (including shares held in treasury) delivered and/or to be delivered, and (iii) ordinary shares released and/or to be released in the form of cash in lieu of ordinary shares, pursuant to the Share Plans, shall not exceed 7% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time; and (b) the aggregate number of ordinary shares under awards to be granted pursuant to the Share Plans during the period commencing from this Annual General Meeting and ending on the date of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier, shall not exceed 1% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time. Approval for the adoption of the Share Plans was given by shareholders at an Extraordinary General Meeting of the Company held on 20 April 2010. The grant of awards under the Share Plans will be made in accordance with their respective provisions.

Resolution 11 – Resolution 11 is to renew the mandate, as proposed to be modified, to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter to Shareholders dated 1 April 2019 (the "**Letter**"). The proposed modifications are to expand certain of the general transactions which the EAR Group (as defined in Appendix 1 to the Letter) may enter into with Interested Persons (as defined in Appendix 1 to the Letter), in order to accommodate the overall expansion and growth of the EAR Group's activities and product range and also to align with the EAR Group's current presentation of its key businesses. Please refer to the Letter for more details.

Resolution 12 – Resolution 12 is to renew the mandate to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company, on the terms and subject to the conditions set out in the resolution.

The Company intends to use internal and/or external sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.
